

# Loss of Information from SNOMED-CT to ICD-10 Mapping

## SNOMED-CT

*ICD-10 groups different concepts in a "catch-all" classification.*

## ICD-10

Code: J20.9  
"Acute  
bronchitis,  
unspecified"

Code J20.9 is also recorded in ICD-10 for any patient under the age of 15 who has acute bronchitis, including tracheitis bronchitis or catarrhal bronchitis.
