SOLOR Support Services: Updated DocBook Artifacts

PRESENTED BY:

Team BZ
Program Manager: Jayme Welty

bookzurman

Transforming healthcare through technology + trust

360 Central Ave., Suite 970 | St. Petersburg, FL
33701 O 727.378.9006 | bookzurman.com

PRESENTED TO:

Dr. Keith Campbell & Stephanie

Klepacki IDIQ: VA701-16-D-0017
TO9 PO: 776-C80148
CLIN: 2021A VA Config.
Standards Artifacts (Small)

Jan 09, 2019 – Benson Chang - Negation Update to Part 1, Updated “Negation” to “Representation of Absence” in Part 1 of SIA Book

Changed:

- statements/src/docbkx/requirements-driven.xml

Jan 11, 2019 – Eric Hwang - Move sections from Part 3 (definitional.xml) to Part 1 (design.xml)

Changed:

- statements/src/docbkx/definitional.xml
- statements/src/docbkx/design.xml

Jan 13, 2019 – Kyle Maulden - Added Part 2 foundational and moved komet sections to Solor tooling

Added:

- statements/src/docbkx/solor-foundational.xml

Changed:

- statements/src/docbkx/symbolic-information-analytics.xml

Jan 15, 2019 – Benson Chang – Created initial content for new SOLOR Foundations section, uploaded new architecture diagrams from Keith

Added:

- statements/src/docbkx/images/architecture_seperation_of_concerns.jpg
- statements/src/docbkx/images/modules_and_extensions.jpg

Changes:

- statements/src/docbkx/solor-foundational.xml

Jan 15, 2019 – Kyle Maulden – moved content from SIA root file to solor-intro.xml

Added:

- statements/src/docbkx/solor-intro.xml

Changed:

- statements/src/docbkx/symbolic-information-analytics.xml

Jan 15, 2019 – Kyle Maulden – moved content from preface to solor-intro.xml

Changed:

- statements/src/docbkx/solor_intro.xml
- statements/src/docbkx/symbolic-information-analytics.xml

Jan 15, 2019 – Benson Chang – Updated new tooling section with introduction referencing www.solor.io and upcoming release of KOMET editor

Changed:

- statements/src/docbkx/komet-building-blocks.xml
- statements/src/docbkx/tools.xml

Jan 15, 2019 – Benson Chang – Removed outlines and notes for section organization, replaced architecture diagram with new version from Keith

Changed:

- statements/src/docbkx/solor-intro.xml

Jan 16, 2019 – Benson Chang - Expanded architecture separation of concerns description in Part 1, replaced architecture diagrams with newest versions

Added:

- statements/src/docbkx/images/architecture_seperation_of_concerns_r2.jpg
- statements/src/docbkx/images/modules_and_extensions_r2.jpg

Changed:

- statements/src/docbkx/solor-foundational.xml
- solor-intro.xml

Jan 17, 2019 – Eric Hwang - Part III (Definitional) edits to image file names.

Changed:

- statements/src/docbkx/SOLOR-defiitional.xml
- statements/src/docbkx/concept-analysis.xml
- statements/src/docbkx/definitional.xml
- statements/src/docbkx/design.xml
- statements/src/docbkx/disjoint-content.xml
- statements/src/docbkx/identifying-solor-content-that-requires-special-handling.xml

- statements/src/docbkx/logical-nesting.xml
- statements/src/docbkx/meronomy-partonomy.xml
- statements/src/docbkx/symbolic-information-analytics.xml

Added:

- statements/src/docbkx/images/definitional_identifySolorContentRequiringSpecialHandling_00.png
- statements/src/docbkx/images/definitional_identifySolorContentRequiringSpecialHandling_01.png
- statements/src/docbkx/images/definitional_identifySolorContentRequiringSpecialHandling_02.png

Jan 18, 2019 – Eric Hwang - Organized order within Definitional section. Created 'stubs' for subestions. Intro to definitional section created.

Removed:

- statements/src/docbkx/concept-analysis.xml
- statements/src/docbkx/images/definitional_conceptAnalysis_interRaterReliability_00.JPG

Added:

- statements/src/docbkx/definitional_conceptAnalysis.xml
- statements/src/docbkx/definitional_primer.xml
- statements/src/docbkx/definitional_topicsOfConcern.xml

Changed:

- statements/src/docbkx/definitional.xml

File Name Changes:

- statements/src/docbkx/definitional_concreteDomains.xml
- statements/src/docbkx/definitional_disjointContent.xml
- statements/src/docbkx/definitional_logicalNesting.xml
- statements/src/docbkx/definitional_meronomoyPartonomy.xml
- statements/src/docbkx/definitional_solorDesign.xml

Jan 19, 2019 – Eric Hwang - Defintional section - added transitional opening statements in attempt to tie the various white paper topics (currently, section 5.4) and point to relevance within Solor.

Changes:

- statements/src/docbkx/definitional_conceptAnalysis.xml
- statements/src/docbkx/definitional_concreteDomains.xml

- statements/src/docbkx/definitional_disjointContent.xml
- statements/src/docbkx/definitional_logicalNesting.xml
- statements/src/docbkx/definitional_meronomoyPartonomy.xml
- statements/src/docbkx/definitional_topicsOfConcern.xml

Jan 24, 2019 – Eric Hwang - "primer" on DL in Definitional section.

File Name Changes

- statements/src/docbkx/identifying-solor-content-that-requires-speical-handling.xml

Changes:

- statements/src/docbkx/definitional_primer.xml

Jan 25, 2019 – Raja Cholan - Part 1, 2 update: Intro + Architecture

Added:

- statements/src/docbkx/images/architecture_seperations_of_concerns_r3.jpg
- statements/src/docbkx/images/chronology.png
- statements/src/docbkx/images/modules_and_extensions_r3.jpg
- statements/src/docbkx/images/stamp_chronology.png

Changed:

- statements/src/docbkx/solor_foundational.xml
- solor-intro.xml

Jan 25, 2019 – Eric Hwang - Solor design for defintional section to address top level nodes & relationships

Changed:

- statements/src/docbkx/definitional_solorDesign.xml

Jan 27, 2019 – Joey Coyle – Update Clinical input form chapter – please note this content was produced on another contract

Changed:

- statements/src/docbkx/clinical-input-form.xml
- statements/src/docbkx/images/cif_anf_topic.png

Added:

- statements/src/docbkx/images/cif_clinical_statement.png

NOTE: This text in red is not apart of our deliverables.

Jan 28, 2019 – Tim Williams – Added new content to language.xml

Changed:

- statements/src/docbkx/language.xml
